

A REAL STRING TO YOUR BOW!

Could you help us reach our target?

Talk to us now about working with young people in Scouting

Eastleigh Scouting grew by 9% last year and we are now looking to recruit up to 50 new adult volunteers to undertake a range of roles from leading young people up mountains to providing administrative support. We have roles to suit all skills levels and backgrounds, and you do not necessarily have to wear a woggle!

Eastleigh Scouting - making the adventure REAL
